MEMORANDUM FOR: Mr. S. J. Papich
 Liaison Officer
 Federal Bureau of Investigation

25X1

1. The attached is from a man whose family I've known for more than thirty years. They are a solid Catholic family who have lived in Pascagoula for generations. I have not had occasion to observe the source, [redacted] himself, but very little over the years so I really know little of his personal reliability, stability, prejudices, etc., since his youth. (He is in his late forties.) However, I have no reason whatsoever for being in any way critical of him; I simply am ignorant.

2. I am also furnishing a copy of [redacted] letter to the Director of Naval Intelligence.

3. I would appreciate any guidance as to content of my reply.

Thanks for your letter of 7 September expressing concern about the loyalty of a man who works at the Ingalls Shipyard.

This type of problem, of course, does not fall within the jurisdiction of my organization. However, I have taken the liberty of passing the information on to FBI Headquarters and to the Navy for their attention. You may rest assured they will check carefully into the matter.

It was good to hear from you again after so many years.

With best wishes,

Sincerely,
